

## *2024 Pasadena City Men's Golf Championship*

### **STROKE PLAY PACE OF PLAY POLICY**

The Tournament Committee at each competition will determine the maximum allowable time each group is permitted to play the round. **This time will be posted on each player's scorecard and each player is expected to maintain a pace faster than the maximum allowable time.** The round ends when all players in the group have holed out at the final hole.

### **LEAD GROUP(S):**

The lead group(s) must finish their round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, **each player will be assessed a penalty of two strokes** to their score for the final hole.

- Exception: If the lead group is held up by play that was sent out before them, or play that began on another starting hole, they will be exempt from penalty if they finish over their maximum allowable time but within **15** minutes of the group in front of them.

### **Allowable Time to complete rounds**

**Course # 1 5 hours**

**Course # 2 4 Hours and 44 minutes**

### **SUBSEQUENT GROUPS:**

Subsequent groups must finish their round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, they must finish within **15** minutes of the group in front of them. If they finish over the maximum allowable time and more than **15** minutes behind the group in front of them, **each player will be assessed a penalty of two strokes** to their score for the final hole.

### **EXEMPTIONS FROM PENALTY:**

If a group does not finish within their maximum allowable time due to circumstances beyond their control (such as a ruling or a ball search on the final hole, or any other circumstances which the Committee deems to be exceptional) but was otherwise in position during the play of the final four holes, the Committee **may** be justified in waiving the penalty. Being in position means to be at a point on the course within 15 minutes of when the group in front of you was at that same point.

Any group that has a slow, deliberate, or non-responsive player may report the player to Tournament Rules Officials at any time during the round and the player will be monitored. If the tournament committee identifies that a player (or players) in the group is the cause of the group failing to maintain pace of play and determines other players are playing within the requirements of this policy, those meeting the requirements of this policy may be absolved from penalty while others may not.

**THE PASADENA CITY TOURNAMENT COMMITTEE RESERVES THE RIGHT TO REVIEW ALL PENALTY SITUATIONS.**
